

## Industrial Pipework Services Integrated Management System Policy Statement

IPS is committed to:

1. Meeting our compliance obligations that relate to our OH&S hazards, environmental aspects and other requirements including client requirements, ISO 9001, ISO 14001 & ISO 45001.
2. Establishing and reviewing objectives and targets for ISO 9001, ISO 14001 and ISO 45001.
3. Protection of the environment and prevention of pollution.
4. Consultation and participation with our employees and sub-contractors or representatives on matters affecting their health and safety.
5. Providing and maintaining safe plant and equipment.
6. Ensuring safe handling and use of articles and substances.
7. Providing information, instruction and supervision for employees.
8. Ensuring that all employees are trained and competent to carry out their tasks.
9. Prevent work related injury and cases of work-related ill health by eliminating hazards and reducing OH&S risks to our employees and others who are affected by our undertakings.
10. Maintain safe and healthy working conditions and adequate welfare facilities.
11. Ensuring that all individuals under our control are aware of their OH&S responsibilities, they ensure their own and others' occupational health and safety through their acts or omissions.
12. This policy shall be reviewed on an annual basis to ensure its continuing suitability and that it is relevant & appropriate to the purpose of the organisation.
13. This policy is available to the public on the company website.
14. Continual improvement of:
  - 14.1. Service to the client and the effectiveness of the Quality Management System;
  - 14.2. The company H&S management system by minimising the occupational risks & implementation of controls to reduce these risks;
  - 14.3. The suitability and effectiveness of the environmental management system to enhancement of environmental performance.
